**MANIPUR STATE GOVERNOR FELICITATES**

**Governor, Manipur releases 'Gift of Life' bulletin No 32  
Guv felicitates children treated under Rotary's 'Gift of Life' programme**

**BISWADEEP GUPTA**

**IMPHAL, MAY 6:** A felicitation function was organized on Tuesday by the Governor V.K.Duggal at Raj Bhavan for children who have undergone Heart Surgery under Rotary's 'Gift of Life' programme. He received the children and members of the Rotary Club of Imphal including Sushil Gupta, former director of Rotary International.

'Gift of Life' is a project of Rotary to save the lives of children suffering from heart ailments. Congenital Heart Defect (CHD) is responsible for more deaths in the first year of life than any other birth defects across the world. CHD is believed to affect 8 new born child in every 1000 and 1 in every 10 CHD births is fatal. In India, as per estimates, 1,50,000 children are born with CHD every year and less than 10,000 could access or afford to get treated.

In Manipur, it is estimated that more than 20,000 children and adults are suffering silently from Congenital Heart ailments.

The Genesis of Heart Project of Rotary Club of Imphal started in August 2008 when the concept was visualized and named 'Heart to Heart' Project. Thereafter Rotarians of Imphal took up the mammoth task of raising the funds from friends and well wishers and among themselves for sponsoring 40 children with CHD for open heart surgery. With Rotary Club of Asansol offering the logistics support and requisite blood and Mission Hospital, Durgapur offering the operation

surgery at the best hospitals in Delhi. So far 131 children from Manipur have been operated under Rotary's Heart Project. Another 30 children from Manipur will be operated this year in New Delhi under 'Gift of Life' program.

Governor V.K.Duggal in his speech said that it is interesting to know that funds are raised by Rotarians of New Delhi from Rotarians of Delhi; other parts of the country and world besides their own friends and well wishers with no funding from the Government. He went to shower his gratitude to Kalsakar Trust for arranging accommodation at Manav Ashray at nominal rates; to Rotary Blood Bank, New Delhi which takes care of the average requirement of 4-5 units of blood per child and to the Rotarians for providing logistic support for receiving the children from Airport/Railway station.

Governor while congratulating the Rotary movement, he said that indeed, it is heartening to know that in addition to the above project, Rotary Club of Imphal and Rotary Club of Polo City Imphal will be taking up a new project 'Gift of Sign'. 1
