#### KNOW YOUR 'GIFT OF LIFE' COORDINATORS

PDG Rtn Ashok Tanted is one of the initial Senior Coordinators who formed part of the Gift of Life movement in India. Ever since he was associated with Gift of Life in the early part of the year 2006, he arranged more than 50 open heart surgeries of children from BPL families. Majority of the children belonged to tribal belt of Madhya Pradesh.

After referring CHD (congenital heart diseases) children belonging to poor strata of the Society from the central part of India to Gift of Life hospitals in Delhi for open heart surgery to cure their diseases, he made sure that he visited the project and children at hospital. Whenever he deputed a child to Delhi for GOL surgery, he used to monitor the case till the child returned back home safely after total recuperation. His commitment and devotion to Gift of Life cause 'for saving lives and building peace' have been commendable.

His philanthropic and humanitarian efforts over a long period of time including his involvement in Gift of Life for giving new lease of lives to children earned him the highest award 'Service above Self' from Rotary International. He is also recipient of Regional Service Award for Polio Free World from The Rotary Foundation.

PDG Rtn Ashok Tanted is a member of 70 years old Rotary Club Ratlam (RI Dist 3040) since 1985. He has been instrumental in getting DDF from Dist 3040 for Gift of Life Global Grant No 1528740.

Rtn Ashok Tanted is ever willing to shoulder any responsibility for Gift of Life. His tireless efforts for this cause has been widely recognized in GOL circles.

He served Rotary as District Governor, Editor GML, GSE teams leader, Chairman DGN Nomination Committee, District Trainer, Chairman District Election committee, Member Nomination Committee for selection of RI Director (Zone 4), Sergeant-at-arms in Rotary Zone Institutes etc. It was due to his initiative that an enactment "each club shall designate one elector to cast all its votes" for election of Governor got passed in the Council of Legislation. Currently he is the District Rotary Foundation Committee Chair.

Rtn Ashok is an alumni of Birla Institute Of Technology & Science, Pilani and Institute of Management Studies, DAVV, Indore. ## The children's President is no more ...

This widely respected Scientist-President is known as Children's President, People's President etc. He passed away on 27 July 2015 at Shillong. Gift of Life pay profound tributes and homage to former President of India, APJ Abdul Kalam.

"The fact that he met so many children and students of various ages was one of his greatest joys. He had met a million children, and intended to keep adding to that number. Answering questions, urging them to think, telling them to open up their wings and look at the world around them-these were the things he loved to talk about, and in doing so, no question was too inconsequential, no questioner was too small or too important".

**"Let's spread love and peace throughout the universe, oh Almighty, this is my prayer"**
