KNOW YOUR 'GIFT OF LIFE' COORDINATORS

Rtn Arvind Kumar Sankhyain has been serving as the Coordinator for Gift of Life for Himachal Pradesh for many years. He belongs to Rotary Club of Mandi. Rtn Arvind Kumar Sankhyain has recently referred six children belonging to economically disadvantaged families, suffering from congenital heart diseases to Gift of Life New Delhi for arranging open heart surgeries.

He joined Rotary Club of Mandi in the year 2004. He became President of the Club for two terms i.e. years 2008-09 and 2009-10. He was Assistant Governor during the period 2010-11 and Zonal Chairman in the year 2011-12.

According to Rtn. Arvind Kumar Sankhyain, he used to meditate for mental peace and good health. "However after association with GOL and completion of each successful surgery of a needy

child, the mental peace I get can be put in the category of "divine". By the grace of almighty, we have sufficient resources to help those who are in need. GOL provided an avenue of service. I admit that after association with GOL, I have stopped giving donations to Temples or making offerings there. I keep that money for the pre and post surgery help of the patient and their families", says Rtn Arvind Kumar.

Recent two surgeries of children from Himachal Pradesh referred by him and arranged at Delhi hospitals were eye opener. The families of the children did not have money even to pay for Echo test of the children, leave aside the travel and stay expense at Delhi. Rtn Arvind Kumar's 11 years old daughter told him that she wanted to give all her Rs. 150 for GOL (from her pocket money) for the patients. This inspired her brother, who is 6 years old, who parted his precious 100 Rupee note (which was given to him by his grand-father) to the parents the suffering children. When these parents came to Delhi, they told GOL Delhi that though the amount received by them from the 11 years and 6 years old children of Rtn Arvind Kumar Sankhyain was meagre, they felt that it was worth million because the children valued it as treasure and parted it for a cause dear to their hearts – to save the lives of fellow children in the community – and these parents gladly accepted it. According to them, this carried a great message of goodwill and best wishes for success of the open heart surgeries and fast recuperation of their children.

"Being part of GOL endeavour to save lives of children is my biggest achievement and me and my family wish to better it", says Rtn Arvind Kumar Sankhyain.

Born on 14 August 1974, Rtn Arvind is Chartered Accountant by profession. He is married to Babita and they have daughter Devanshi and Son Devesh.

Rotary Club of Mandi, under the leadership of Rtn Arvind Kumar Sankhyain, contributed cash to TRF for GOL global grant. Gift of Life Delhi thank and wish Arvind family all the best
